APPLICANT INSTRUCTIONS

2019 -2020 ISM-Wichita, Inc. Scholarship Program

The 2019-2020 Institute for Supply Management – Wichita (ISM-Wichita, Inc.) Scholarship Program seeks to identify high school seniors and college students who will contribute to the field of Supply Management. Applicants must be planning on a Supply Management study or related field. Students who excel academically, and exhibit leadership potential, participate in community service activities and demonstrate financial need are encouraged to apply. The applicant must either be a current resident in Kansas, or, if currently not a resident of Kansas, plan to attend an institute in Kansas. Current college students are eligible to apply.

Each year, the Institute for Supply Management – Wichita (ISM-Wichita, Inc.) Scholarship Program awards a number of scholarships to qualified applicants that demonstrate a financial need, and an interest in a Supply Chain related field. Each recipient will receive a portion of the allotted scholarship funding. The recipients may use their scholarship award to attend an accredited college or university of their choice within the State of Kansas. A substantial number of students have been recipients of ISM Wichita Scholarships since the inception of the Program.

ISM Wichita Scholarships are selected in the spring prior to entering college. The ISM Wichita Scholarship Program committee screens applications upon receipt with final determination of scholarship recipients taking place in late March. Finalists are interviewed by members of The ISM Wichita Scholarship Program Committee and approved by The Board of Directors. Scholarship winners are selected based on their applications, and interviews. Notification follows immediately.
